Barilović, November 23th, 2020

Client, TONER d.o.o., OIB: 55957584769, based on item 17.1. Annex D. Regulations on the Implementation of the Procurement Procedures for NonCompulsory Persons in the Public Procurement Act (hereinafter: „the Regulations“) (NOJN), in the procurement procedure of machines within the project "Investment in construction and equipping of new production hall for the production of cutting tools" - contract number: KK.03.2.1.15.0064., Registration Number 2/2020, estimated procurement value HRK 3,003,970.92, provides the following

DECISION ON CANCELLATION

1. The procurement procedure for groups of procurement subjects is canceled:

GROUP	GROUP NAME
6	Tensioning, straightening and levelling machine

Explanation

Procurement notice with the intention of concluding a contract for the procurement of goods was published on the website www.strukturnifondovi.hr on 21st of October 2020.

The subject of procurement was divided into two groups:

GRUPA	NAZIV GRUPE
2	Wide Band saw blades Flash Butt Welding Machine
6	Tensioning, straightening and levelling machine

The opening of bids was held on November 16th, 2020, starting at 11:00 AM, and it was determined that bids were received for group 2 of the procurement item, while no bids were received for group 6.

Pursuant to the above, the contracting authority, in accordance with item 11, indent 1 of the Rules, cancels the procurement procedure for the procurement of machinery for group 6 of the subject of procurement because no tender was received within the deadline for submission of tenders.

Following the above, it was decided as in the dictum.
